

DENTAL CARE WARRANTY

DENTISTRY WITH A WARRANTY YOU CAN SMILE ABOUT

Life happens. Protect your new smile with the highest level of assurance available in dentistry, provided by Dr. Ziegele. Dr. Ziegele, a highly skilled dentist, performs modern, reliable dentistry you can trust. However, sometimes there is no accounting for things that call for repair or replacement of your dental work and appliances over time. Dr. Ziegele understands that your dental health is an important investment. That's why we offer our patients a warranty that goes above and beyond the ordinary, covering a wide range of procedures and safeguarding one of your best assets: your smile. This warranty covers your dental work for 5 full years, well longer than the average industry standard.

OUR WARRANTY BENEFITS

PEACE-OF-MIND for an extended period of time on your restorative, cosmetic and other qualifying procedures.

LIFE-PROOF your smile by keeping your covered restorations in good condition and working order.

NO COST repair or replacement of covered procedures up to the original treatment value

CONSTANT ASSURANCE that even with dental insurance wait periods or frequency limitations, your smile can be protected.

PROCEDURES ELIGIBLE FOR WARRANTY

Our warranty offers full fee repair or replacement on a generous range of eligible dental procedures, for the protection and convenience of our patients. Whether you've invested in a straighter smile, or one rebuilt from the ground up, our warranty has you covered.

- Crowns
- Dentures
- Bridges & Partial
- Night Guards

PATIENT RESPONSIBILITY AND ENROLLMENT DETAILS

In order to qualify for your warranty benefits, you must stay current on your regular hygiene visits as prescribed by Dr. Ziegele. This helps our patients make healthy choices, and protects the longevity of your existing dental work. This warranty does not cover accidents or trauma to the mouth or face.
